

# Faith Dance Studio Sponsorship

We invite you on a journey with Clare through her enchanted dream as she travels through Candyland. The scenes are filled with the pageantry of dazzling costumes, elaborate set designs, and a diverse cast of dancers (professional and amateur) performing classical ballet, swing, tap, hip hop, folkloric and ethnic dance.

## Our Purpose

To introduce an entertaining and family-friendly Nutcracker with a multi-cultural twist to the city of Katy. To provide the opportunity for economically underserved, and multi-cultural youth to participate in citywide theatrical production.

To expose diverse professional and pre-professional dancers and musicians to the city of Katy & Houston surrounding areas. who are not usually afforded the opportunity to perform on such a large platform.

To educate and introduce the performing arts to disadvantaged youth.

To collaborate and showcase with other local artists, ethnic dance groups, and companies.

To give back to the community by offering performing and fine arts scholarships to underserved and economically disadvantaged youth who wish to study the performing and fine arts.
